# GROWLER & BOTTLE FILLER

BEER TO GO ROCKS.

## BRINGING HOME A GROWLER HAS NEVER BEEN EASIER

Nothing tastes better than fresh draft beer, so we created the world's first automated growler filler for the point of sale. You can fill up your growler with up to 4 different styles of beer using just one of our growler fillers.

- + fully automatic filling
- + four types of beer per device
- + countless container possibilities
- + stays fresh up to 2 weeks from filling
- + prepossessing design
- + simple operation
- + 2,4" touch-screen
- + RGB LED illumination
- + environmentally friendly

## EASY TO USE:

**1**  
PLACE BOTTLE  
INTO THE DEVICE

**2**  
SELECT  
YOUR BEER

**3**  
SELECT BOTTLE SIZE  
ON THE TOUCH-SCREEN

**4**  
START

The bottle is filled fully automatically, foam-free and in a protective atmosphere.  
A great experience for your customers.
